ARTICLE II

COVENANTS AND AGREEMENTS

2.1 Tax Exempt Status of Facility.

(a) Prior to the date of completion of construction of the Facility (as evidenced by issuance of a certificate of occupancy) (the "**Completion Date**"), the Facility shall be assessed by the Affected Tax Jurisdictions as fully taxable, and shall not be entitled to any exemption from real property taxes, notwithstanding anything to the contrary contained in this Agreement or any other agreement between the Authority and the Company. Pursuant to the provisions of the Leaseback Agreement, the Company will be required to pay all taxes and assessments lawfully levied and/or assessed against the Facility, including taxes and assessments

1 for the current tax year and all subsequent tax years until the Facility shall be entitled to exempt status on the tax rolls of the Affected Tax Jurisdictions.

(b) Pursuant to Section 2326 of the Public Authorities Law and Section 412-a of the RPTL, the parties hereto understand that, beginning with the first taxable status date following the Completion Date (the "**PILOT Effective Date**"), and for so long thereafter as the Authority shall hold a leasehold in the Facility, the Facility shall be assessed by the Affected Tax Jurisdictions as exempt. The Company shall, promptly following the Completion Date, take such action as may be necessary to ensure that the Facility shall be assessed as exempt upon the assessment rolls of the Affected Tax Jurisdictions prepared subsequent to the Completion Date, and, for so long thereafter as the Authority shall hold a leasehold interest in the Facility, the Company shall take such further action as may be necessary to maintain such exempt assessment with respect to each Affected Tax Jurisdiction.

(c) The parties hereto understand that the tax exemption extended to the Authority by Section 2326 of the Public Authorities Law and Section 412-a of the RPTL does not entitle the Authority to exemption from special assessments, special district charges, special ad valorem levies (including, but not limited to, fire district charges, pure water charges and sewer charges). Pursuant to the Leaseback Agreement, the Company will be required to pay all such charges and assessments lawfully levied and/or assessed against the Facility.

2.2 Agreement to Make Payments. After the PILOT Effective Date and for the remaining term of the Lease Agreement, the Company agrees to pay to the Authority, as a rent in lieu of taxes, the amounts hereinafter provided.

2.3 Valuation of the Facility.

(a) The value of the Facility (the "**Value**") for purposes of determining payments in lieu of taxes due hereunder shall be (i) for years 1-10 following the PILOT Effective Date, Seven Hundred Thousand Dollars and 00/100 (\$700,000.00); or (ii) for years 11-15 following the PILOT Effective Date, the assessed value of the Facility as determined by the assessor of the City.

(b) If the Company shall disagree with the assessed value of the Facility during years 11-15, the Company shall have such rights and remedies as would lawfully be available to the Company if the Authority did not hold a leasehold interest in the Facility and, therefore, not exempt on the assessment rolls of the Affected Tax Jurisdictions. If a lesser assessed value is determined by a court of competent jurisdiction and the payments in lieu of taxes to be paid hereunder are reduced, any excess payment shall be refunded to the Company or, in the Authority's sole discretion, such excess payment shall be applied as a credit against the next succeeding payment in lieu of taxes due hereunder.

2.4 Amount of Payments in Lieu of Taxes. Beginning with the PILOT Effective Date, the Company shall make payments in lieu of taxes to the Authority in an amount computed by (a) multiplying the Value of the Facility determined pursuant to Section 2.3 above by (b) the

2 1 tax rate in effect at time of such payment; all multiplied by (c) the applicable percentage
set forth in Schedule "A".

2.5 Valuation of Future Additions to the Facility.

(a) If there shall be a future addition to the Facility constructed or added in any manner after the date of this Agreement, the Company shall notify the Authority of such future addition ("**Future Addition(s)**"). The notice to the Authority shall contain a copy of the application for a building permit, plans and specifications, and any other relevant evidence that the Authority may thereafter request. Upon the Authority's receipt of the notice, the parties hereto shall use their best efforts to agree upon additional payments in lieu of tax for such Future Additions ("**Additional Payments**") and shall amend this Agreement to provide for such Additional Payments.

(b) If the parties are unable to agree on such Additional Payments, the value of the Future Additions for purposes of determining the amount of real property taxes owed by the Company shall be determined by the Assessor. The Assessor shall establish the Assessed Value of the Future Additions. The Company shall be entitled to prompt written notice of the initial establishment of such Assessed Value for the Future Additions.

(c) Commencing on the first tax year following the date on which any Future Additions shall be completed, the Company agrees to make Additional Payments to the Authority with respect to such Future Additions, such Additional Payments to be computed by multiplying (x) the Assessed Value of such Future Additions determined pursuant to subsection (b) above by (y) the tax rate or rates that would be applicable to such Future Additions if the Authority did not hold a leasehold interest in the Future Additions, and (z) reduce the amount so determined by the amounts of any tax exemptions that would be afforded to the Company if the Authority did not hold a leasehold interest in such Future Additions.

(d) If the Company shall disagree with the determination of Assessed Value for any Future Additions, the Company shall have such rights, remedies and recourses available to it as would lawfully be available to the Company if the Authority did not hold a leasehold interest in the Facility and therefore not exempt upon the assessment rolls of the Affected Tax Jurisdictions. If a lesser Assessed Value is determined by a court of competent jurisdiction and the Additional Payment is thereby reduced, any excess payment shall be refunded to the Company or, in the Authority's sole discretion, such excess payment shall be applied as a credit against the next succeeding Additional Payment.

2.6 Statements. The Authority agrees to submit to the Company periodic statements specifying the amount and due date or dates of the payments due hereunder, such periodic statements to be submitted to the Company at approximately the times that tax bills are mailed. Each such statement shall coincide with the tax bills set by the Affected Tax Jurisdictions and shall be for that portion of the payment due in that year as apportioned to the taxes otherwise payable to each such entity as set forth in Section 2.6 below.

2.7 Method of Payment. All payments by the Company hereunder shall be paid to the Authority in such coin and currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts.

2.8 Agreement to Pay Proportionate Share. The Authority covenants and agrees that it shall make payment to each of the Affected Tax Jurisdictions its pro rata share of the payments received from the Company pursuant to Section 2.2 hereof in the same proportion to the amount of real property tax and other taxes which would have been received by each Affected Tax Jurisdiction had the Facility not been exempt due to the status of the Authority.

2.9 Term. The tax benefits provided for herein shall commence as of the PILOT Effective Date and shall expire on the earlier of (a) fifteen (15) years from the PILOT Effective Date; or (b) the early termination of this Agreement due to default or otherwise. Company agrees that it will not seek any tax exemption for the Facility which could provide benefits for more than the periods provided for herein and specifically agrees that the exemptions provided for herein, to the extent actually received (based on the number of lease years elapsed), supersede and are in substitution of the exemptions provided by Section 412-a of the RPTL. It is hereby agreed and understood that the Affected Tax Jurisdictions can rely upon and enforce the above waiver to the same extent as if they were signatories hereto. In no event shall the Company be required to pay taxes and payments required by this Agreement for the same period.

2.10 Interest. If the Company shall fail to make any payment required by this Agreement when due, its obligation to make the payment so in default shall continue as an obligation of the Company until such payment in default shall have been made in full, and the Company shall pay the same together with interest thereon, to the extent permitted by law, at the rate per annum which would be payable if such amounts were delinquent taxes, until so paid in full.

2.11 Company to Furnish Subleases. The Company agrees to furnish the commissioner of assessments of each Affected Tax Jurisdiction an annual report, certified by the Company, and if requested by each Affected Tax Jurisdiction, certified to each Affected Tax Jurisdiction by certified public accountants, of the area subleased in the Facility and to furnish copies of each and every sublease within ten (10) days of the execution of said sublease.

2.12 Changes in Law. To the extent the Facility is declared to be subject to taxation or assessment by an amendment to the Act, other legislative change, or by final judgment of a Court of competent jurisdiction, the obligations of the Company hereunder shall, to such extent, be null and void.

2.13 Credit for Taxes Paid.

(a) It is understood and agreed that should the Company pay in any calendar year to the Affected Tax Jurisdictions any amounts in the nature of general property taxes, general assessments, service charges or other governmental charges of a similar nature levied and/or assessed upon the Facility or in the interest therein of the Company or the occupancy thereof by the Company (but not including, by way of example, (i) sales and use taxes and (ii)

special assessments, special ad valorem levies or governmental charges in the nature of utility charges, including, but not limited to water, solid waste, sewage treatment or sewer or other rents, rates and charges), then the Company's obligation to make payments in lieu of taxes for such calendar year to the Authority hereunder shall be reduced by the amounts which the Company shall have so paid in such calendar year, but there shall be no cumulative or retroactive credit as to any payment in lieu of taxes due to the Authority or as to any payment in lieu of taxes due to the Authority in any other calendar year.

(b) If the Company desires to claim a credit against any particular payment in lieu of tax due hereunder, the Company shall give the Authority prior written notice of its intention to claim any credit pursuant to the provisions of this Section 2.13, said notice to be given by the Company at least thirty (30) days prior to the date on which such payment in lieu of tax is due pursuant to the provisions of Section 2.2 hereof.

ARTICLE III

TRANSFER OF THE FACILITY

3.1 Transfer to Company. In the event that the Facility is transferred from the Authority to the Company (the Lease Agreement is terminated), and the Company is ineligible for a continued tax exemption under some other tax incentive program, or the exemption results in a payment to the Affected Tax Jurisdictions in excess of the payment described in Article II 1, or this Agreement terminates and the Facility is not timely transferred back to the Company, the Company agrees to pay no later than the next tax lien date (plus any applicable grace period), to each of the Affected Tax Jurisdictions, an amount equal to the taxes and assessments which would have been levied on the Facility if the Facility had been classified as fully taxable as of the date of transfer or loss of eligibility of all or a portion of the exemption described herein or date of termination.

3.2 Change in Control. The Company may sell, sublease, or otherwise transfer the Facility or any part thereof or permit a transfer of more than 49% of the total ownership interest in the Company to a Creditworthy Transferee without the prior consent of the Authority, provided that the transferee assumes all of the Company's covenants, stipulations, promises, agreements and obligations contained in this Agreement. For purposed of this Section 3.2, "Creditworthy Transferee" means a transferee with sufficient financial wherewithal to obtain a mortgage loan from an unrelated third party lender in connection with the purchase or other transfer of the Facility or Company.

3.3 Recapture. The Company shall be required to repay a portion of the total benefits received from the Authority, upon the occurrence of any of the following events after the date of this Agreement: (a) complete liquidation of the Company's business operations; (b) transfer of a substantial number of jobs outside the City of Auburn; (c) sublease of the Facility in violation of the Lease Agreement; or (d) an unauthorized sale, disposition, transfer or change in control with respect to the Facility or the Company. The benefits to be recaptured shall be prorated as follows: years 1-4: 100%; year 5: 66.67%; years 6-7: 33.33%.

ARTICLE IV

ADMINISTRATIVE FEE

4.1 Administrative Fee. On the date that the Authority acquires a leasehold interest in the Facility, the Company agrees to pay the Authority a fee of Seven Thousand Two Hundred Fifty Dollars and 00/100 (\$7,250.00) to offset the indirect expenses incurred by the Authority in administering the Project and for the other corporate purposes of the Authority, together with all legal fees and disbursements incurred by the Authority with respect to the Project.

ARTICLE V

EVENTS OF DEFAULT

5.1 Events of Default. Any one or more of the following events shall constitute "Events of Default" hereunder: (a) failure of the Company to pay any amount due and payable by it pursuant to this Agreement and continuance of said failure for a period of ten (10) days after written notice to the Company stating that such payment is due and payable; (b) failure of the Company to observe and perform any other covenant, condition or agreement on its part to be observed and performed, other than as referred to in paragraph (a) above and Section 2.12 here and continuance of such failure for a period of thirty (30) days after written notice to the Company specifying the nature of such failure and requesting that it be remedied; (c) any warranty, representation or other statement by or on behalf of the Company contained in this Agreement shall prove to have been false or incorrect in any material respect on the date when made or on the effective date of this Agreement; and (d) the occurrence and continuance of any events of default under the Lease Agreement after any applicable cure periods. Upon the occurrence of any Event of Default hereunder, in addition to any other right or remedy the Authority and/or the Affected Tax Jurisdictions may have at law or in equity, the Authority and/or Affected Tax Jurisdictions may, immediately and without further notice to the Company (but with notice to the Authority with respect to actions maintained by the Affected Tax Jurisdictions) pursue any action in the courts to enforce payment or to otherwise recover directly from the Company any amounts so in default.

5.2 Remedies upon Default. Whenever any Event of Default shall have occurred with respect to this Agreement, the Authority may take whatever action at law or in equity as may appear necessary or desirable to collect the amount then in default or to enforce the performance and observance of the obligations, agreements and covenants of the Company under this Agreement.

5.3 Recording of Documents. Whenever any Event of Default shall have occurred with respect to this Agreement, the Authority may upon sixty (60) days notice to the Company, record any documents necessary in the appropriate county clerk's office, conveying the premises to the Company and/or terminating the Lease Agreement. The Company hereby appoints the

Authority as its attorney in fact to execute and deliver all documents necessary for such conveyance and/or termination, and recording thereof in the county clerk's office shall constitute delivery thereof so long as notice thereof, including a copy with notice of recording, is sent to the Company.

5.4 Payment of Attorneys Fees and Expenses. If the Company should default in performing any of its obligations, covenants and agreements under this Agreement and the Authority should employ attorneys or incur other expenses for the collection of any amounts payable hereunder or for the enforcement of performance or observance of any obligation or agreement on the part of the Company herein contained, the Company agrees that it will, on demand therefore, pay to the Authority the reasonable fees and disbursements of such attorneys and such other reasonable expenses so incurred.

5.5 Cumulative Remedies; Waiver and Notice.

(a) No remedy herein conferred upon or reserved to the Authority is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute.

(b) No delay or omission in exercising any right or power accruing upon the occurrence of any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

(c) In order to entitle the Authority to exercise any remedy reserved to it in this Agreement, it shall not be necessary to give any notice, other than such notice as may be expressly required in this Agreement.

(d) In the event any provision contained in this Agreement should be breached by any party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to be a waiver of any other breach hereunder. No waiver, amendment, release or modification of this Agreement shall be established by conduct, custom or course of dealing.

ARTICLE VI

MISCELLANEOUS

6.1 Assignment. No portion of any interest in this Agreement may be assigned by the Company, nor shall any person other than the Company be entitled to succeed to or otherwise obtain any benefits of the Company hereunder without the prior written consent of the Authority, which shall not be unreasonably withheld or delayed, provided, however, the Company may assign this Agreement without the consent of the Authority in the event of a transfer to a Creditworthy Buyer as described in Section 3.2 above. The Company shall continue to be liable for

gations hereunder notwithstanding such assignment.

6.5 No Recourse. All covenants, stipulations, promises, agreements and obligations of the Authority contained in this Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Authority and not of any member, officer, agent, servant or employee of the Authority in his individual capacity, and no recourse under or upon any obligation, covenant or agreement contained in this Agreement, or otherwise based or in

6.7 Limitation on Authority Action. Notwithstanding any provision of this Agreement to the contrary, the Authority shall not be obligated to take any action pursuant to any provision hereof unless (i) the Authority shall have been requested to do so in writing by the Company and (ii) if compliance with such request is reasonably expected to result in the incurrence by the Authority (or any of its members, officers, agents (other than the Company), servants or employees) of any liability, fees, expenses or other costs, the Authority shall have received from the Company security or indemnity satisfactory to the Authority for protection against all such liability, however remote, and for the reimbursement of all such fees, expenses and other costs.

6.8 Amendment. This Agreement may not be effectively amended, changed, modified, altered or terminated unless such amendment, change, modification, alteration or termination is in writing and, in the case of any amendment, change, modification or alteration of this Agreement, unless the Company and its successors and assigns shall assume in writing the obligations of such amended, changed, modified or altered Agreement.

6.9 Binding Effect. This Agreement shall inure to the benefit of, and shall be binding upon, the Authority, the Company and their respective successors and assigns. The provisions of this Agreement are intended to be for the benefit of the Authority and the Affected Tax Jurisdictions.
